

FloorCloth

cottonsponge

The Super 5 special cotton sponge floor rag is soft and resistant. It is suitable for cleaning and dusting all floors, including the most delicate ones, such as wood or marble, in a practical manner.

Thanks to a new cotton weaving technology, crocheted with strong cotton curls tied to a polyamide base, it ensures absorbency and an unbeatable cleaning power; even against the most persistent dirt. It is lint free and long lasting

Composition: cotton and polyester
