Roll Duster
ultimate

Roll Duster is the newest practical dust collector. It is the exclusive piece of the Super 5 line. Instead of coming in a conventional box format that contains folded cloths, it comes in a 30-sheet roll.

It can therefore be used to satisfy the different cleaning needs of the house; from floors to higher surfaces while strapping one or more sheets. Furthermore, the surface of the Roll Duster is embossed to allow it collect dust and microparticles more efficiently. It is more resistant and pleasant to the touch thanks to its increased fullness and weight.
